PIMA NEWS

Born to Mr. and Mrs. Clark Mangum, Sunday, May 4, 1919, a girl.

La Van Boyle, of Mesa, who has just returned from France, is here visiting with friends and relatives.

Mrs. Joseph Farley and children, of Globe, arrived here Friday to spend a week visiting with Mrs. Farley's parents, Mr. and Mrs. H. J. Anderson.

The relief societies of Pima and Gila wards held their conference here Tuesday afternoon, at 2:30 o'clock, at the meeting house. President Josephine Kimball, Catherine Pace and Annie Layton were present as visitors.

Mrs. Eva Lines was released as second counselor of the Relief Society and Mrs. Caroline Eyring sustained in her place.

Miss Nora Anderson left yesterday morning for Salt Lake City, where she will spend the summer.

A district social was held Tuesday evening at the home of J. H. Lines. The evening was spent playing games and a short program was given. Ice cream and cake were served.

Mrs. John Nuttall, Jr., arrived here last week from Dos Cabezas to visit with relatives.

Miss Eunice White, who taught in the public school here this year, returned to her home in Phoenix this week. She was accompanied by her aunt, Mrs. Reo J. Larson, who will visit with her several weeks.

Manuel B. Michelena, Pioneer, Passes Away

Manuel B. Michelena, aged 64 years, died Sunday morning, April 27, 1919, at his home in Solomonville.

Mr. Michelena was one of the oldest pioneers of the Gila valley. He was born in Sonora, Mexico, in 1855, and came to Arizona in 1886, at the age of 13 years, the family living first at Tucson and moving later to Florence, where young Michelena got his first experience at farming.

In 1874, Mr. Michelena came to the Gila valley and was among the first settlers on the north side of the river. He was the first owner of the well-known "Tidwell ranch," where he lived for many years. He was the first man to build a ditch on the north side of the Gila river. After selling his ranch, he moved to Solomonville, where he lived the past 45 years, all of which time he spent in farming.

Mr. Michelena was married to Miss Pomposa Gallego in 1881. Twelve children were born to them, four of whom died, leaving three daughters and five sons to mourn his death. He is also survived by his widow. All the children were present at the funeral, except the oldest son, who is a member of Uncle Sam's army and is still in France.

His mother died at Solomonville five years ago at the age of 80 years.

Latest Equipment

of Famous Ford Car

The latest improvement in the Ford car is the electric starter. The cylinder block is cast in different shape to old style block, and has a place on the right side for the generator.

The transmission cover is also cast in such a manner as to allow the electric starter to be attached without any alterations. The fly wheel has also a provision made for the starter to work on, so that the complete starter equipment can be installed in a few minutes. The Ford has now all the up-to-the-minute equipment that is found on the higher-priced cars.

The electric starter removes the only objection to the Ford car—that of cranking to start.

Dealers will be in a position to supply the starters for cars of this kind in a short time.

Do Your Best

Everyone should do all he can to provide for his family and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion, get a package of Chamberlain's Tablets and follow the plain printed directions, and you will soon be feeling all right and able to do your day's work. adv-13-4t

J. M. Foster Returns Here with "Our Boys"

J. M. Foster came in Sunday afternoon with "Our Boys" of the 158th, returning from France. Mr. Foster is a secretary of the Y. M. C. A., and is assigned to troop trains. He started with the boys of the 158th at the gang plank at Hoboken, N. J., where the Transport Ohioan tied up on its arrival from France, and came all the way west with the boys, leaving Camp Merritt, N. J., Friday, April 25th. They arrived in El Paso, Texas, last Thursday morning, May 1st, at 6:00 o'clock.

The boys were discharged from service Saturday, at Camp Biene, Ft. Bliss, Texas.

Mr. Foster has been in the service as a Y. M. C. A. secretary the past seven months, starting in at the Y. M. C. A. training school at Stanford University. His work has been with the troop trains and he has thoroughly enjoyed his task of entertaining the boys on their journey east and their return home from France.

He says the American soldiers, returning from France, both officers and men, are a joyous bunch, full of life and happy to be once more in the good old U. S. A.

Mr. Foster kept the wires hot en route from Camp Merritt, sending telegrams to Governor Campbell and others to learn what was being done to receive the boys when they reached El Paso, and also at their home towns. He kept with the boys continually, supplying their every want and providing their entertainment.

While here, Mr. Foster is a guest of his brother, Berry F. Foster, and also of other friends. He expects to leave here next week for his home in Needles, Cal., and will retire from service as a secretary of the Y. M. C. A.

Suggestion for a Camping Trip

Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you. adv-13-4t

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pain in the back—look up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Get some GOLD-MEDAL Chamberlain Colic Capsules at once. They are an old, tried preparation used all over the world for centuries. They contain only old-fashioned, soothing oils combined with strength-giving and system-cleansing herbs, well known and used by physicians in their daily practice. GOLD-MEDAL Chamberlain Colic Capsules are imported direct from the laboratories in Holland. They are convenient to take, and will either give prompt relief or your money will be refunded. Ask for them at any drug store, but be sure to get the original imported GOLD-MEDAL brand. Accept no substitutes. In sealed packages. Three sizes.

About Rheumatism

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents. adv-13-4t
